

SEASON SONG

What's your favourite season?

I like spring. I like spring.

The flowers bloom.

I like summer

It's hot outside.

What's your favourite season?

I like fall.

The leaves change colour.

I like winter.

I love snow.

What's your favourite season?

I LOVE THE MOUNTAINS

I love the mountains

I love the rolling hills.

I love the flowers.

I love the daffodils.

I love the fireside

when the lights are low.
