January, February, March,

April, May, June, July,

August, September, October,

November, December.

Piosenka - Season Song

These are the four seasons of the year
Spring, summer, autumn and winter.

The flowers and the leaves are growing fast.
All spring long!

The flowers on the trees are colourful and bright.
All summer long!

The flowers and the leaves are falling on the ground.
All autumn long!

The snow is covering the trees and the ground.
All winter long!

These are the four seasons we know
Spring, summer, autumn and winter.
Now peep out of your window
And let us know
The season you see.

Wierszyk – Seasons

Summer, autumn, winter and spring
When one season ends, another begins
The Earth spins around the Sun
To give us 4 seasons full of fun.
